AGREEMENT
BETWEEN
COLUMBUS BOARD OF EDUCATION
AND
OHIO ASSOCIATION OF PUBLIC SCHOOL EMPLOYEES
(OAPSE)
COLUMBUS SCHOOL EMPLOYEES ASSOCIATION

Effective September 16, 1980

AGREEMENT

THIS AGREEMENT, entered into at Columbus, Ohio, September 16, 1980 between the BOARD OF EDUCATION OF THE CITY OF COLUMBUS SCHOOL DISTRICT (hereinafter referred to as the "Board"), and the OHIO ASSOCIATION OF PUBLIC SCHOOL EMPLOYEES (OAPSE), COLUMBUS SCHOOL EMPLOYEES ASSOCIATION (hereinafter referred to as the "Association").

ARTICLE 1 RECOGNITION

- 1.1 The Board recognizes the Association as the sole and exclusive bargaining representative for all employees in the following described unit:

The bargaining unit includes all full-time and regular part-time Civil Service employees of the school district, including head custodians, head operating engineers and lunchroom managers, but excluding administrative and supervisory personnel. "Administrative and supervisory personnel" shall include any employee having the authority to responsibly direct other employees (not including working foremen) and authority to hire, transfer, assign, promote, discharge, or discipline other such employees, or to effectively recommend such action. Educational aides shall be included in the bargaining unit.

- 1.2 The term "employee" as used in this Agreement shall refer to those persons included in the bargaining unit.

ARTICLE 2 ASSOCIATION SECURITY AND DUES CHECKOFF

- 2.1 The Board agrees to deduct from or check off on the wages of employees for the payment of dues to OAPSE for the period of time indicated in the Payroll Deduction Authorization Cards, upon presentation of a written authorization individually executed by any employee. Such authorization shall be in the following form:

(Print Full Name)

(Social Security Number)

(Print School)

Authorization for Payroll Deduction of
OAPSE Membership Dues

Pursuant to Section 9.41 of the Revised Code of Ohio, I hereby authorize the Columbus Board of Education to deduct from my wages

the OAPSE membership dues and pay them to OAPSE according to the current deduction plan. I understand that I may withdraw this authorization and agree to exercise withdrawal rights pursuant to Section 9.41, Ohio Revised Code, by signing and delivering such written withdrawal request to the Treasurer of the Board during the period of August 21 to August 31 each year hereafter. If not so revoked, this authorization shall automatically be renewed from year to year. This authorization replaces and cancels any prior authorization made by me.

(Signature)

(Date)

- 2.2 The Board further agrees to continue to honor present dues deduction authorizations executed by the employee in favor of OAPSE in accordance with provisions of Section 9.41 of the Revised Code of Ohio.
- 2.3 The Association agrees to indemnify and save the Board harmless against any and all claims that may arise out of or by reason of action taken by the Board in reliance upon any authorization cards submitted by the Association to the Board.
- 2.4 Dues deduction authorization shall be irrevocable for periods of one (1) year except that authorization may be withdrawn during a period of ten (10) days each year ending August 31. If dues deduction is not revoked during such period, it shall continue for successive periods of one (1) year.
- 2.5 Association dues as certified annually on September 1 shall be deducted in nine, ten, eleven, or twelve (determined by the employee's normal months employed) equal and consecutive installments. The charge made by the Board for such deduction privileges shall not be more than fifteen cents (15¢) for such deductions up to twelve (12) in a year. Such charge may be deducted from the first installment of the employee dues. The Association agrees that dues deductions for all chapters may be paid to the Treasurer of the Columbus School Employees Association rather than to the Treasurer of each of the local chapters. The Board shall not be responsible for any dues deductions after the employee's employment terminates.

ARTICLE 3 COVERAGE

- 3.1 The Association shall have bargaining rights for all employees in the bargaining unit on the following subjects:

- A. Wages, hours, fringe benefits and other matters of economic welfare;
- B. Working conditions;
- C. Grievance procedures;
- D. In-service training.

ARTICLE 4
ASSOCIATION REPRESENTATION

- 4.1 The Association may designate one (1) grievance representative at each school building or physically separated establishment or work area of the Board.
- If there is a second shift of three (3) or more employees at one of such work locations, the Association may designate an additional grievance representative for all second and third shift employees at that location. The grievance representatives' names shall be furnished to the Board by the Association. Association business, including the investigation or processing of grievances, shall not be conducted by such representatives on school board time nor shall it, in fact, interfere with the work assignment of any other employee.
- 4.2 The president of the local chapter or, in his absence, the vice president of the local chapter, shall have the privileges accorded to grievance representatives.
- 4.3 Official OAPSE field representatives, grievance representatives, or OAPSE regional representatives may consult with employees of the bargaining unit before the start of and at the completion of the day's work and shall be permitted access to work areas at such times only for the purposes of adjusting grievances, assisting in the settlement of disputes, and for the purpose of carrying into effect the provisions and aims of this Agreement. This privilege is extended to include access to work areas at other times subject to the approval of the head supervisory person in the building and subject to the understanding that work assignments are not, in fact, to be interfered with, except with approval of the head supervisory person in the building. Visits in accordance with the immediately preceding sentence shall be by prior arrangement with the head supervisory person except in an emergency. Such a field representative, grievance representative, or regional representative of OAPSE shall, after entering a building during normal school hours, first inform the head supervisory person in the building of his presence. The Board will be supplied with a list of authorized field representatives, grievance representatives, and regional representatives, which list shall be kept current by the Association. The Board shall furnish to the Association the names of the

head supervisors of all work locations.

- 4.4 The Board agrees to make available to the Association a list of the names and addresses of employees eligible for the bargaining unit setting forth the job classifications and work locations to which each new employee is assigned. Such list will be made available every month.
- 4.5 Any grievance representative involved in the attendance at a grievance hearing in any step of the grievance procedure, after the grievance has been reduced to writing, shall be provided release time in connection with attendance at such grievance proceeding.
- 4.6 There is hereby established OAPSE Day, which day shall be the same day as COTA Day on the school calendar. Bargaining unit employees shall be released without loss of salary to attend the annual district OAPSE meeting as a professional day on such day. An employee wishing to attend the OAPSE meeting shall make a prior written request to his immediate superior as defined in Section 9.2 of this Agreement. Where the operation of the school district requires that certain personnel be on duty, priority in the following order shall be given to those making a written request to attend OAPSE Day:
- A. Officer of the OAPSE Central District,
 - B. Officers of the Columbus School Employees Association,
 - C. Chapter officers,
 - D. Others.

ARTICLE 5 MANAGEMENT CLAUSE

- 5.1 The Board retains the sole right and authority to manage the schools of the Columbus City School District. Except as limited by the specific terms of this Agreement this shall include, but not be limited to, the right to direct the Civil Service work force; to decide the duties to be performed; to decide the means, methods and equipment to be used; to assign, transfer and promote the employees; to schedule the days and hours of work, and starting and quitting times of employees; to hire, discharge and discipline employees; and to make such rules and regulations as are necessary to maintain the orderly and efficient operations of the schools.
- 5.2 The Columbus Board of Education must notify the Columbus School Employees Association of any intention to subcontract any bargaining unit work and to give the Association an opportunity to be heard at a public meeting of the Board on such matters before

a decision is made. It being understood that this notice applies to proposals for a change in policy requiring Board action as contrasted with the emergency, temporary or short-term project employment situations in which the administration has authority to act without specific prior Board action. After any decision to subcontract under the above provision, the impact upon bargaining unit employees will be discussed in the conference committee established under Section 17.3 of this Agreement. Nothing in this subsection shall be construed to limit the right of the Association to pursue other available legal remedies.

5.3 During the term of this Agreement, Columbus Public Schools' pupils being transported by school bus for Columbus Public Schools' summer programs at Board expense shall be transported on Board-owned school buses driven by Board employees.

5.4 In the event the placing in a school cafeteria of vending machines or automatic dispensing machines results in a reduction in the required personnel or their hours, the affected personnel shall not be reduced in classification or number of scheduled hours prior to being offered reassignment to a position with the same classification and number of scheduled hours except that such personnel may be assigned duties (no reduction in pay) related to a lower classification prior to being offered said reassignment position. Such offered position shall be the vacancy after the first posting.

ARTICLE 6 ASSOCIATION DUTIES

6.1 The Association shall represent all employees of the school system within the bargaining unit equally and without discrimination regardless of their membership or non-membership in the Association, provided, however, that the Association may charge a reasonable fee for any services, other than representation in collective bargaining negotiations, rendered as a result of the request of non-members. Such fee charged any individual non-member during the life of the current Agreement may not exceed the annual dues as defined in the Constitution and bylaws of the Ohio Association of Public School Employees.

ARTICLE 7 DISCRIMINATION AND COERCION

7.1 There shall be no discrimination or intimidation by the Board or the Association against any employee as a result of, or because of such employee's race, color, creed, sex, age, national origin, or membership or non-membership in the Association.

7.2 All use of the terms "he," "his," or "him" in this Agreement shall be interpreted as referring to both female and male employees.

ARTICLE 8
CONTINUOUS PERFORMANCE PLEDGE

- 8.1 The members of the Association agree that they will neither cause nor sponsor any strike, slow-down, or other work stoppage during the term of this Agreement. In the event that the Association violates this provision, they shall be subject to appropriate penalties by the Board; provided, however, that any dispute as to whether this provision has been violated shall be subject to final and binding arbitration pursuant to the rules of the American Arbitration Association.
- 8.2 In recognition of this continuous performance pledge, the Board agrees there will be no "lockout" of members of the Association except if such "lockout" is a result of the Board's inability to pay which results in the closing of all regular schools. In the event the Board determines it is necessary to close all schools in connection with actions of Board employees who are not members of the bargaining unit, school-year employees who are members of the bargaining unit may have their work year adjusted by the Board to accommodate the pupil attendance days in the adjusted school calendar provided no such school-year employee, except as a result of being on an unpaid status, shall have their days of work or their total salary for the school year reduced by such adjusted school calendar. Such adjusted work year shall not be considered a "lockout." Any dispute as to whether this provision has been violated shall be subject to final and binding arbitration pursuant to the rules of the American Arbitration Association.
- 8.3 Any classified employee who initiates or participates in a strike or other act prohibited by this Article will be subject to disciplinary action by the Board; provided, however, that the question of such participation shall be subject to the grievance procedure set forth in Article 9.
- 8.4 The Association will make every reasonable effort to prevent or terminate violations of this Pledge.

ARTICLE 9
GRIEVANCE PROCEDURE

- 9.1 A grievance is defined to be any question or controversy between any employee or the Association with the Board involving:
- A. The interpretation or application of the provisions of this Agreement;
 - B. The effect, reasonableness, or application of any work rule established or enforced by the Board;
 - C. The discipline or discharge of any employee.

When such problems arise, an attempt should be made by the employee and his immediate superior to settle them informally. A problem which cannot be resolved informally will be processed as a grievance.

9.2 Each grievance shall be processed in the following manner:

Step 1. Within ten (10) calendar days after the occurrence of the incident which is the subject of the grievance, the employee involved will reduce his grievance to writing, on forms to be agreed upon, and will submit it to his immediate superior, who is a supervisor or administrator. (In order to preserve his Civil Service appeal rights, a grievant must also complete and submit an appeal form and a copy of the grievance to the Board's Civil Service Office within ten (10) calendar days of such occurrence. The appeal will be held until the appropriate step within the grievance process. Upon notification to the Board's Civil Service Office by the employee or the Association that Step 3 has been reached, the appeal will be activated.) Within five (5) work days after the grievance is submitted, a hearing officer chosen by the Board will discuss the grievance with the employee involved and attempt to resolve it. Within five (5) work days after this discussion, the hearing officer will state his decision in writing, attach it to the grievance form, and provide a complete copy to the grievant.

Step 2. If the grievant is not satisfied with the decision concerning his grievance made by the hearing officer, he may, within five (5) work days of his receipt of such decision, request such hearing officer to forward his grievance to the Superintendent of Schools for hearing. The Superintendent of Schools, or his designated representative, will schedule a hearing on the grievance within five (5) work days of its receipt by him and will notify the employee and the Association of the time and place of such hearing. Within five (5) work days following such hearing, the Superintendent of Schools or his designee shall state his decision in writing, attach it to the grievance form, and forward a complete copy to the grievant.

Step 3. If the grievance is not resolved at Step 2, the employee and/or the Association, within five (5) work days following receipt of the Step 2 response, shall have the right to continue the grievance as an appeal to the Municipal Civil Service Commission of the City of Columbus in accordance with the procedures established by said Commission and as hereinafter provided in Section 9.8, provided the appeal was filed with the Board's Civil Service Office within the prescribed ten (10) day time period. In the event the grievance concerns a matter over which the Columbus Municipal Civil Service Commission refuses to exercise or grant jurisdiction, the Association shall have the recourse to the arbitration procedure provided for in Article 10.

- 9.3 The failure of the grievant to appeal any decision to the next step within the time set forth for such appeal shall constitute a waiver of the right of further appeal in all cases (except one in which the Municipal Civil Service Commission exercises jurisdiction), and a final disposition of the grievance shall be made on the basis of the last decision given so far as the Board of Education grievance steps are applied.
- 9.4 Unless mutually agreed otherwise, all grievance hearings shall be held outside of the normal working hours of the grievant or grievants involved so as not to interfere with their working responsibilities, except that Step 1 hearings shall be held during the grievant's normal work day (span of day for bus drivers) unless, at the discretion of the Board, the Step 1 hearing is held at the assigned work location of the grievant. A representative of the Association may accompany and represent the grievant at all steps of the grievance procedure, and the grievant shall have the right to present witnesses and question such witnesses on the matter of the grievance and shall have the right to present any other relevant evidence in his own behalf.
- 9.5 In the event there is a grievance which affects a number of employees or which involves a condition of general concern to the employees, it may be submitted as a grievance at Step 2 by the Association, provided:
- A. The grievance involves employees at more than one work location, or
 - B. The grievance involves employees in more than one department, as listed in Article 11.1 B, assigned to the same work location.
- 9.6 No reprisals of any kind shall be taken by the Board or any member of the Administration against any party filing a grievance or any member of the grievance committee or any other participants in the grievance procedure by reason of such participation.
- 9.7 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 9.8 In the event the Columbus Municipal Civil Service Commission refuses to exercise jurisdiction over a grievance which has been submitted to it or in the event it is finally determined that the Columbus Municipal Civil Service Commission has no jurisdiction over the grievance, the Association may request arbitration. Arbitration must be requested in writing within five (5) work days after receipt of the written answer given by the Superintendent of Schools or his designee under Step 2 of the grievance procedures, or within five (5) work days after receipt of the refusal by the Municipal Civil Service Commission to exercise or grant jurisdiction, or of a final determination that the Municipal Civil Service Commission has no jurisdiction over the grievance, whichever is later.

ARTICLE 10
ARBITRATION

- 10.1 Within five (5) working days after the notice requesting arbitration has been served on the Board, the parties shall meet to select an impartial arbitrator. If no agreement is reached at this meeting, the parties immediately and jointly shall request the American Arbitration Association to submit to them a panel of five (5) arbitrators from which the Board and the Association shall alternatively strike names until one name remains, and this person shall be the arbitrator.
- 10.2 The decision of the arbitrator shall be final and binding upon the parties, and the parties hereto shall share equally the expense and fees of the arbitrator.
- 10.3 The arbitrator shall not have the power to add to, subtract from, or modify this Agreement. Only grievances and disputes between the parties as to the interpretation, or application, of this Agreement shall be subject to arbitration as herein provided. General wage scale and other economic issues, as well as the extension, renegotiation or renewal of this Agreement shall not be subject to arbitration except as provided in the Procedures for Negotiations.

ARTICLE 11
SENIORITY

11.1

To the extent permitted by law, and consistent with the responsibility of the Board to provide appropriate services of good quality, the principle of seniority as hereinafter defined shall prevail. Nothing in these seniority provisions shall be construed to change, amend or interfere with the Civil Service laws of the City of Columbus insofar as they affect appointment, promotions, and tenure.

- A. System seniority shall be defined as the length of employment by an employee with the Board as computed from the employee's most recent date of hire.
- B. Department seniority shall be defined as the length of employment by an employee in a particular department as computed from the employee's most recent date of entry into such department. For the purposes of this provision, the following departments shall be deemed to exist.
 - (1) Custodial (including warehouse personnel)
 - (2) Truck Driver
 - (3) Maintenance
 - (4) Transportation
 - (5) Food Service
 - (6) School Clerical and Administrative and other Clerical
 - (7) Data Processing
 - (8) Educational Aides
- C. Job classification seniority shall be defined as the length of employment by an employee in a particular job classification as computed from the employee's most recent date of entry into such job classification. Job classifications shall correspond with the job classifications set forth on the salary schedule as published by the Board of Education.
- D. Building seniority shall be defined as the length of employment by an employee in a particular building as computed from the employee's most recent date of entry into such building. For the purposes of this Agreement, the building at 270 East State Street and its annexes on Fifth and Sixth Streets shall be considered as one building.

- E. Substitute employees shall not accumulate seniority and are not considered as either regular full-time or regular part-time employees subject to the terms of this Agreement. Only regular full-time or regular part-time employees shall accumulate seniority.
- F. There shall be a probationary period of one hundred twenty (120) days or the probationary period established by the Columbus Municipal Civil Service Commission if other than one hundred twenty (120) days to allow the Board to determine the fitness and adaptability of any new employee it may hire to do the work required. During such time a new employee shall have no seniority rights, and his qualifications to do the work required, or his discharge or layoff for any reason, shall not be subject to the grievance or arbitration procedures set forth in this Agreement. Employees retained beyond this probationary period shall have their system seniority computed as of their date of hire; their department seniority computed as of their latest date of entry into the department; their job classification seniority computed as of their latest date of entry into the job classification; and their building seniority computed as of their latest date of entry into the building.
- G. (1) Appointments and promotions in all classified positions shall be made in accordance with the rules of the Civil Service Commission of the City of Columbus except when the Ohio Revised Code takes precedence. Where class series exist, the Board shall offer either a combination promotional-open examination or a promotional examination, subject to the rules of the Commission, provided at least three (3) employees within the eligible class in the appropriate series are eligible for the promotional examination to a class within the bargaining unit. The Board may cancel the promotional examination if there are less than three (3) applicants for the examination.
- (2) When a vacancy is to be filled in a class within the bargaining unit and no Civil Service eligible list is available, the Board will provisionally appoint one (1) of the three (3) most senior Board employees in the class eligible for promotion to the provisional position, provided at least three (3) eligible Board employees apply for such provisional promotion. Such appointment shall be made in a manner so as not to permit the provisional Board employee to gain permanent status in the provisional position without a test.

- (3) When a vacancy is to be filled in a class which is the first level supervisor class above the bargaining unit series and no Civil Service eligible list is available, the Board may either make a limited provisional appointment of an eligible Board employee of its choice in such a manner as to not permit the provisional Board employee to gain permanent status in the provisional position without a test, or the Board may provisionally appoint the most senior eligible Board employee making application for the position.
- H. Employees with system seniority who change departments or change job classification shall not accumulate department seniority or job classification seniority in their new department or job classification during their probationary period as provided in 11.1 F, but shall continue to retain their seniority in their former job classification or department during this period. Upon completion of the probationary period as provided in 11.1 F, such employees shall acquire seniority in the new department or job classification dating from their most recent date of entry into such department or job classification and shall no longer retain their former department or former job classification, except as provided in Section 11.14.
- I. Employees on an approved leave of absence shall retain all lawful rights of seniority provided in Article 11.1.
- J. During the probationary period set forth in 11.1 F, employees promoted to a classification within the bargaining unit shall have the option of returning to the former classification with no interruption of seniority in the event the Board determines that the performance of the employee is unsatisfactory during such probationary period.

11.2 Assignment of Work Location -- Permanent Transfer and Bidding Procedure

It shall be the policy of the Board of Education to use seniority as one of the determining factors in permanently filling vacancies or in the assignment of work locations within a department. In addition to this provision, the following specific provisions as provided in the remainder of this Article shall apply.

11.3 School Clerical Position

- A. A notice indicating that a permanent job opening in a school exists (or is expected to exist, if known ahead of the actual vacancy), setting forth the job classification required and the location of the school involved, shall be posted on an appropriate bulletin board in each school for five (5) work days, and a copy of said notice shall be sent to the President of the Association.

- B. Within three (3) work days after the last day of posting, employees with department seniority having the requisite job classification may apply for said job opening by sending a request for transfer on the appropriate form to the Director of Classified Personnel.
- C. The job opening shall be awarded to the applicant having the highest job classification seniority.

After the vacancy has been filled by transfer under the above procedure, the Board shall not be required to post further job vacancies resulting from such transfer. Such subsequent vacancies in work locations shall be filled as follows:

- D. The Board shall fill such subsequent vacancies by transferring, on the basis of job classification seniority, any person with the appropriate job classification who has on file application for transfer to such location.
- E. After the above transfer procedures have been completed, any remaining vacancies shall be filled by promotional examination in accordance with the rules and regulations of the Civil Service Commission and the provisions hereinafter set forth.
- F. The posting, assignment, and transfer to positions for Account Clerk I shall be processed as provided in A through E above recognizing that adjustments to the cluster may be necessary from time to time.

No new employee, successful job bidding applicant, or transfer applicant under the above procedure may submit a job bid or transfer application until the lapse of one (1) year from the date of employment or reassignment, except where such reassignment was a result of the closing or announced closing of a school.

Transfer requests by Civil Service employees shall indicate no more than six (6) specific work locations or school buildings. Transfer requests may be made at any time during the year, but all requests will expire on December 31 of each year. Transfer requests for the next year may be submitted during the preceding November and December but shall not become active requests until January 1. Transfer requests may be withdrawn at any time by the employee. The Board may require the transfer of the eligible applicant to a requested location when a request is on file at the time the vacancy or the expected vacancy becomes known to the Board.

11.4

Custodial

- A. When a vacancy occurs within a building, custodial employees within that building in the requisite classification shall be given an opportunity to make a choice of shifts on the basis of their building seniority.
- B. After the employees having building seniority have been given their choice of shifts as indicated above, a notice indicating that a permanent job opening exists shall be posted on the bulletin board in each school or building for five (5) days, and a copy shall be sent to the President of the Association. Such notice shall indicate the location of the building, the position available and the shift involved.
- C. Within three (3) work days after the last day of posting, employees with department seniority having the requisite job classification may apply for such job opening by sending a request for transfer on the appropriate form to the Director of Classified Personnel.
- D. The job opening shall be awarded to the applicant with the highest job classification seniority who has filed a request for transfer.

After the vacancy within a building has been filled by the above procedure, the Board shall not be required to post further vacancies resulting from such transfer. The resulting vacancy in another building created by such transfer shall be filled as follows:

- E. After custodial employees in the requisite classification with building seniority have been given an opportunity to choose their shifts, a transfer shall be made by awarding the resulting vacancy to any person in the appropriate job classification who has on file an application for transfer to such location, on the basis of his job classification seniority.
- F. After the transfer procedures have been completed, remaining vacancies shall be filled by promotional examination, as applicable, or by appointment under the rules and regulations of the Civil Service Commission.

No new employee, successful job bidding applicant, or transfer applicant under the above procedure may submit a job bid or transfer application until the lapse of one (1) year from the date of employment or reassignment, except where such reassignment was a result of the closing or announced closing of a school.

Transfer requests by Civil Service employees shall indicate no more than six (6) specific work locations or school buildings. Transfer requests may be made at any time during the year, but all requests will expire on December 31 of each year. Transfer requests for the next year may be submitted during the preceding November and December but shall not become active requests until January 1. Transfer requests may be withdrawn at any time by the employee. The Board may require the transfer of the eligible applicant to a requested location when a request is on file at the time the vacancy or the expected vacancy becomes known to the Board.

11.5

Cafeteria

- A. A notice indicating that a permanent job opening exists, setting forth the job classification required and the location of the food service facility, shall be posted on the bulletin board in each food service facility for five (5) work days and a copy of said notice shall be sent to the President of the Association.
- B. Within three (3) work days after the last day of posting, employees with department seniority in the requisite job classification may apply for said job opening by sending a request for transfer on the appropriate form to the Director of Classified Personnel.
- C. The job opening shall be awarded to the applicant having the highest job classification seniority.

After the vacancy has been filled by transfer under the above procedure, the Board shall not be required to post further job vacancies resulting from such transfer. Subsequent vacancies in work locations shall be filled as follows:

- D. The Board shall fill such subsequent vacancies by transferring any person with the appropriate job classification who has on file an application for transfer to such location on the basis of job classification seniority.
- E. After the above transfer procedures have been completed, any remaining vacancies shall be filled by promotional examination in accordance with the rules and regulations of the Civil Service Commission and the provisions hereinafter set forth.

No new employee, successful job bidding applicant, or transfer applicant under the above procedure may submit a job bid or transfer application until the lapse of one (1) year from the date of employment or reassignment, except where such reassignment was a result of the closing or announced closing of a school.

Transfer requests by Civil Service employees shall indicate no more than six (6) specific work locations or school buildings. Transfer requests may be made at any time during the year, but all requests will expire on December 31 of each year. Transfer requests for the next year may be submitted during the preceding November and December but shall not become active requests until January 1. Transfer requests may be withdrawn at any time by the employee. The Board may require the transfer of the eligible applicant to a requested location when a request is on file at the time the vacancy or the expected vacancy becomes known to the Board.

11.6

Educational Aides

- A. Not later than May 1 of each year, the Director of Educational Aides shall prepare a list of all known vacancies in educational aides' positions for the following year. Copies of this list will be posted in each school.
- B. Educational aides to be considered for such vacancies shall apply to the Director of Educational Aides not later than May 15.
- C. The Board shall consider job classification seniority as one of the determining factors in selecting among the applicants whose qualifications are relatively equal.
- D. Educational aides shall be notified of their school assignment for the next school year no later than their last assigned work day in June. Such notification shall not be a guarantee of reemployment for the following school year if layoff is in accordance with law or this Agreement.
- E. Educational aides who return to an assignment in September as a result of notification in accordance with D above and who are reduced in hours at the beginning of the school year as a result of a reduction in hours in that location, and educational aides whose hours are reduced after the beginning of the school year will be furnished a list of known educational aide position vacancies during the first week of school or at the time after September when the reduction in hours occurs and such educational aides will be given an opportunity to apply for such vacancies. Vacancies shall be awarded on the basis of system seniority to the senior educational aide applying.
- F. Whenever there is a new classification of educational aide established, notice of such classification shall be distributed in accordance with the procedures provided in 11.13. In awarding the position, the Board shall give the position to the qualified educational aide when selecting among applicants whose qualifications are relatively equal.

- G. In the event there is an increase or decrease in the authorized hours for educational aides in a school, such increase or decrease will be first offered to existing educational aides on the basis of system seniority except where the principal determines that such seniority approach will detract from the school program.
- H. Title I and DPPF aides shall not be required to perform duties related to the general supervision of pupils (playgrounds, lunchrooms, hallways, and restrooms) in excess of the percentage of time permitted by lawful regulations of the funding agency. (The current limitation is 10 percent, and the limitation provided in this section shall be automatically adjusted with changes in such limitation.)
- I. Educational aides shall not be required to work playground duty when the severity of weather conditions is such that, as determined by the principal, teachers would not be required to work playground duty.

11.7

Truck Drivers

A. Route Bidding

- (1) As soon as practicable after August 15 of each school year, all known routes shall be posted in the various truck driver work locations.
- (2) Prior to Labor Day, routes shall be bid according to job classification seniority beginning with the most senior driver.
- (3) Truck driver positions at given locations without a regular route shall be considered as a route for bidding purposes.
- (4) Truck drivers shall have the option of retaining their assigned route from the previous year.
- (5) A driver who is absent may designate another driver to bid in his behalf.
- (6) Truck drivers shall retain the routes elected through the August bidding process or vacancy bidding process for the school year, except that occasional temporary assignment may be necessary to cover a vacant route, familiarize a new driver with a route for up to three (3) days, or to accomplish such other occasional and specialized needs of the school system as may arise.

- (7) Notwithstanding the above, routes may not be retained in the August, 1980, bidding process and all known routes shall be posted and available for bidding.

B. Route Vacancies

- (1) Permanent route vacancies occurring after Labor Day shall be posted in the truck driver work locations for five (5) work days.
- (2) During the posting period truck drivers may bid on the posted vacancy by submitting a written request for such vacancy to the Director of Classified Personnel.
- (3) The vacant route shall be awarded to the applicant with the highest job classification seniority.

C. Overtime

- (1) School-year overtime shall be offered to all truck drivers on a rotation basis. The initial rotation shall begin with the most senior driver on the basis of job classification seniority. Sign-up lists for weekday and weekend overtime shall be posted for at least two (2) work days at truck driver work locations (currently Starling Street, 17th Avenue, and Food Production Center), through the Wednesday prior to the overtime period or through the third work day prior to an extended weekend.
- (2) All new drivers are excluded from overtime the first time around.
- (3) Any driver who is absent on the day the overtime is offered or absent on the day the overtime is worked shall lose that turn.
- (4) It is recognized by the parties that some overtime will occur in connection with various routes and such overtime will not be bid. It is further recognized by the parties that overtime bidding may not be practicable when the need for overtime is not known at least twenty-four (24) hours in advance.
- (5) A truck driver may be removed from the overtime rotation as a result of formal discipline action related to overtime duties.

D. Summer Work

All summer truck driving work, beyond that assigned to calendar-year truck drivers, shall be offered to school-year truck drivers before being offered to other employees.

E. Truck Inspection

Board trucks utilized by delivery services personnel will be annually inspected by Board garage personnel and a copy of the inspection report submitted to the Assistant Superintendent, Support Services.

11.8

Pupil Transportation

- A. Bus Driver Job Classification Seniority -- There shall be two categories of job classification seniority for bus drivers. Part-time bus drivers shall constitute a category, and full-time bus drivers shall constitute a category. Job classification seniority for full-time bus drivers shall be defined as the length of employment as a full-time bus driver, as computed from the bus driver's most recent employment as a full-time bus driver. Job classification seniority for part-time bus drivers shall be defined as the length of employment as a part-time bus driver, as computed from the bus driver's most recent employment as a part-time bus driver.
- B. Annual Route Bidding -- As soon as practicable after August 15 of each school year and prior to the bidding process, all known basic routes and positions available for bidding shall be posted for more than one (1) day at the site of the annual workshop. Routes shall be awarded on the basis of job classification seniority and with the following considerations:
 - (1) Available 65-passenger bus routes shall be posted during the annual route bidding process. 65-passenger bus drivers shall have the option of retaining their routes from the preceding year. Retained routes will not be available for bidding, and drivers retaining routes will not take part in the annual route bidding process. A route may be considered for retention provided at least one-half of the trips are continued from the preceding school year. A trip is considered to be continued if it serves the same elementary attendance area as a residential route or if it serves the same discontinuous attendance area, in each case with the same school level of pupils. The three school levels of pupils are elementary (any grades involving one through five), middle school (junior high in 79/80), and high school. A.M. and P.M. trips are counted individually. In the event of a tie and both drivers elect retention, the more senior driver shall retain the route. In order to provide all possible fairness to the annual route bidding process, in recognition of the complexity of the routes and the potential number of changes, and in recognition of the impossibility of anticipating all of the possible circumstances and questions that may arise, the Board will administer the annual route bidding process as follows:

- (a) Transportation supervisors will compile a list of the routes they believe are eligible for retention, along with the previous year's route numbers.
 - (b) The routes will be posted and the indexed list made available for at least one (1) day for review and adjustment by an OAPSE Representative and the Chapter officers or their designees. The Chapter President or the OAPSE Representative shall have the authority to add to or delete from the list, based on reasonable determinations.
 - (c) The adjusted lists shall be posted along with the basic routes for review by the drivers for at least two (2) days prior to and the day of the bidding. Drivers will be given a reasonable opportunity to view the routes prior to the bidding. The Chapter President or OAPSE Representative shall have the authority to resolve conflicts which may arise concerning route retention rights.
 - (d) The Chapter President and OAPSE Representative are invited to meet on a weekly basis during the summer with Transportation Department representatives to review the route development progress and to make suggestions which may assist in making route identification for retention more efficient.
- (2) Available lift bus positions shall be posted during the annual route bidding process. Lift bus drivers shall have the option of retaining their lift bus positions from the preceding year. Route bidding for lift bus drivers shall occur after the annual route bidding process and by the Friday before school commences.
 - (3) Available Route Specialist positions shall be posted during the annual route bidding process. The number of Route Specialist positions to be posted will be determined by the Board. Route Specialists shall have the option of retaining their Route Specialist position from the preceding year, provided the position continues.
 - (4) Available positions for drivers of 35-passenger and smaller buses shall be posted during the annual route bidding process. Drivers of 35-passenger and smaller buses shall have the option of retaining such positions from the preceding year. Drivers who are not qualified to drive a bus larger than a 35-passenger bus must retain such positions. Route bidding for drivers of 35-passenger and smaller buses shall occur after the annual route bidding process and by the Friday before school commences. Prior to bidding, drivers shall

have at least one (1) day to study the basic routes. A concerted effort shall be made to provide two (2) days to study the routes. Routes shall not be retained by drivers from year to year. Drivers shall be eligible to bid routes that are designated by the capacity of their assigned bus. Notwithstanding the above, during the August, 1980, annual route bidding process, all available positions for drivers of 35-passenger and smaller buses, except those retained by drivers who are not qualified to drive a bus larger than a 35-passenger bus, shall be posted.

- (5) Each posted route and position shall include a part-time or full-time designation and the compound location. The required size of the bus shall also be indicated. Full-time drivers shall be eligible to bid only on full-time routes, and part-time drivers shall be eligible to bid only on part-time routes.
- (6) Drivers electing to retain their routes and/or positions from the preceding year shall make their election prior to the day of the annual route bidding process. Election shall be made on a form provided by the Board.
- (7) Except as provided elsewhere in this Agreement, drivers other than Route Specialists shall retain their assigned buses. Drivers bidding on a route requiring a bus different in size from their assigned bus shall give up their assigned bus and be assigned a bus for the new route.
- (8) In general, vacancies occurring and new routes created after the annual route bidding process and vacancies resulting from or occurring after the mid-year route bidding process will be filled by appointment of new drivers. No routes or positions filled by appointment or by reassignment after the annual route bidding process, except those routes and positions posted and not bid during the annual route bidding process or posted and not bid during the mid-year route bidding processes, can be retained by the assigned driver the following school year. A driver on an approved leave of absence shall retain the route or position during the leave period, provided return from leave occurs prior to the annual route bidding process. By mutual agreement of a driver and the Board, a driver may be reassigned to a vacant route or position, but such route or position may not be retained by the driver the following school year unless the route or position was posted and not bid during the annual route bidding process or the mid-year route bidding processes.

- C. Mid-Year Route Bidding -- During late November and late February, all routes and positions which do not qualify for retention by the assigned drivers for the following school year shall be posted for bidding for at least three (3) days at each compound. Such routes and positions shall be awarded on the basis of job classification seniority.
- D. Mid-Day Kindergarten Trips -- Prior to the first day of kindergarten pupil attendance each year, the mid-day kindergarten trips to be operated out of each compound shall be assigned at the discretion of the Board to drivers assigned to the compound. On or prior to September 30, eight-hour drivers of 65-passenger buses with less than six hours of total daily assigned route time shall have the opportunity to bid on the mid-day kindergarten route positions at their assigned compound. Such positions shall be awarded on the basis of job classification seniority. Unbid positions shall be assigned to the least senior drivers eligible to bid. The specific routes will be assigned to the drivers at the discretion of the Board after giving consideration to the seniority and preferences expressed by drivers, the time and location of the driver's basic route, and the efficiencies available to the Board. Mid-day kindergarten trip drivers may not concurrently hold an activity trip or be on the mid-day field trip list.
- E. Activity Trips -- An activity trip is defined as a trip providing after-school transportation for students involved in school activities and is added to a driver's route and becomes a part of a driver's scheduled day. Activity trips which are to be made available to bus drivers shall be administered as follows:
- (1) Activity trips shall be designated by compound and made available to eligible drivers at the compound.
 - (2) Eligible drivers shall be eight-hour, 65-passenger bus drivers with less than six hours of total daily assigned route time whose last trip has an ending time and location which accommodate the activity trip time schedule and location.
 - (3) Activity trips for the fall shall be bid following the annual route bidding process and prior to the first day of school. Activity trips for the winter shall be bid in late October, and activity trips for the spring shall be bid in late February. The activity trips assigned to each compound shall be posted in the appropriate compound for at least three (3) days prior to the bidding process.

- (4) Activity trips shall be awarded to eligible drivers on the basis of job classification seniority.
 - (5) Activity trip drivers may not concurrently hold a mid-day kindergarten trip or be on a mid-day field trip list.
- F. Proxy Bidding -- Bus drivers who cannot be present, unless the reason for absence is unapproved (AWOL), may cause their bid to be exercised by the Chapter President or his official representative in connection with the bidding processes provided in paragraphs B, C, D, and E above. Any driver who is absent during the bidding shall not have the right to redress actions in the bidding process by the Association or the Board.
- G. Mid-Day Field Trips -- Each year, on or prior to September 30 and following the assignment of mid-day kindergarten trips, a list of mid-day field trip drivers will be constructed at each compound. Eight-hour drivers of 65-passenger buses with less than six hours of total daily assigned route time shall be eligible for mid-day field trips. All eligible drivers at the compound may elect to be on the list, and the least senior drivers eligible shall be assigned to the compound list if necessary to reach a systemwide total of sixty (60), prorated by compound based on the number of eligible drivers at each compound. The parties recognize that the assignment of specific trips to drivers on the mid-day field trip drivers list shall include consideration of the available driver's work schedule, locations as such relate to the starting times, and locations of the trips. A concerted effort will be made by the Board to insure that the number of trips during the school year assigned to each driver on such list will be approximately equal in number. Drivers will normally be notified of field trip assignments during the preceding week, recognizing that special circumstances will require an occasional same-day assignment. Mid-day field trip drivers may not concurrently hold either a mid-day kindergarten trip or an activity trip.
- H. Extra-Pay Trips -- Extra-pay trips are defined to mean any trip which occurs outside of the span of a driver's work day and on days which are not scheduled work days. Extra-pay trips which are to be made available to bus drivers should be administered as follows:
- (1) Trips shall be awarded on the basis of department seniority to drivers eligible to drive a 65-passenger bus. A continuous rotation of drivers electing such trips shall be utilized. The parties recognize that the assignment of specific trips shall include consideration of the available driver's work schedule, locations as such relate to the starting times, and locations of the trips.

- (2) New drivers shall not be assigned a trip on the first rotation after appointment.
 - (3) Drivers absent any part of the day of the trip, or of the last work day preceding a trip on a non-work day, shall lose their turn for that rotation, unless the absence of a part of the day is prearranged and approved. Drivers who refuse to drive a trip after it has been assigned shall lose that turn and the next turn.
 - (4) Pay shall be at the overtime rate for the driver of the trip. Pay for trips occurring on scheduled work days shall be for a minimum of four (4) hours, and pay for trips occurring on the other days shall be for a minimum of five (5) hours. Time of the trip shall be calculated from the established compound departure time or from the end of the driver's scheduled work day, whichever is later, until the established compound return time. Drivers transporting a football team in uniform shall be paid one (1) additional hour for cleaning the bus after returning to the compound.
 - (5) The two segments of a regularly scheduled private school route during the school year and on days in which the Columbus Public Schools are not in session shall be combined to calculate the time of the trip, with the minimum being five (5) hours. Trips shall be awarded on a daily basis. Such trips shall not be extra-pay trips if assigned to drivers on scheduled work days.
- I. Distribution of New Buses -- During the term of this Agreement, the distribution of new buses shall be in accordance with the following:
- (1) 35-passenger buses -- New buses shall be offered on the basis of job classification seniority, beginning with the most senior driver of 35-passenger or smaller buses. Any driver who has been offered a new bus during the term of this Agreement shall not be offered another new bus until all drivers with a seniority date of September 1, 1979, or later have been offered a new bus.
 - (2) Lift buses -- New buses shall be offered on the basis of job classification seniority, beginning with the most senior lift bus driver whose assigned bus was placed in service prior to August 1, 1979.

- (3) 65-passenger buses -- New buses shall be offered on the basis of job classification seniority, beginning with the bus driver next in seniority to the most junior bus driver who received a new bus after August 1, 1979. No driver with a seniority date of September 1, 1979, or later shall be offered a new bus until all drivers with a seniority date prior to September 1, 1979, have been offered a new bus.
- (4) New buses refused by all drivers and buses released as a result of drivers receiving new buses shall be reassigned at the discretion of the Board, so long as no drivers shall be required to accept a reassigned bus that is older than the assigned bus he is driving.
- (5) In order to balance mileage of buses of a similar age, but in excess of three (3) years, or to remove a bus having extraordinary maintenance requirements, the Board may reassign a bus to a driver, so long as the reassigned bus is not older than the previously assigned bus and provided a written explanation for the change is furnished the driver.

J. Summer Job Assignments.

- (1) Known summer job assignments determined by the Board to be available for bus drivers shall be first offered to twelve-month drivers. Such assignments shall be awarded to eligible drivers on the basis of job classification seniority. Prior to bidding, drivers may elect to retain their assignment from the previous summer. Twelve-month drivers may not elect summer job assignments which are not scheduled to last all summer. .
- (2) In the event there are remaining assignments for bus drivers, school-year bus drivers will be given the opportunity to sign up for such assignments. Eight-hour assignments shall be awarded to eight-hour drivers on the basis of job classification seniority. Five-hour jobs shall be awarded to five and eight-hour drivers on the basis of department seniority.
- (3) The rate of pay for such summer assignments shall be based on the bus driver's range during the school year.

- K. A bus driver may request the removal of an accident report and any resulting disciplinary personnel action from his personnel file after three (3) years of driving without an accident and without any other disciplinary personnel action during the most recent three (3) years. Such a request shall be honored provided such accident report was not in connection with a preventable accident involving personal injury or damage in excess of \$750.

- L. A bus driver who believes that his assigned duties require him to violate a local, state, or federal law or lawful regulation shall report the relevant circumstances in writing on a form provided by the Board to his immediate supervisor. The supervisor shall provide a copy of such report to the Director of Transportation within one (1) work day. Any dispute as to the merits of the bus driver's claim shall not be subject to the grievance procedure.

11.9

Administrative Clerical

Any administrative clerical position, exclusive of one (1) secretary to each director or staff position above the level of director, and exclusive of any secretary to the administrator responsible for negotiations and contract relations, to a maximum of three (3) secretaries, shall be handled as follows:

- A. Permanent Job Opening -- A notice indicating that a permanent job opening in the administrative clerical area exists, setting forth the job classification required and the administrative department involved, shall be posted on the bulletin board in the administration department and in the schools for five (5) work days, and a copy of said notice shall be sent to the President of the Association.
- B. Request for Transfer -- Within three (3) work days after the last day of posting, employees with department seniority having the requisite job classification may apply for said job openings by sending a request for transfer on the appropriate form to the Director of Classified Personnel.
- C. Job Opening Award -- The job opening shall be awarded to the applicant having the highest job classification seniority.

After the vacancy has been filled by transfer under the above procedure, the Board shall not be required to post further job vacancies resulting from such transfer. Such subsequent vacancies in work locations shall be filled as follows:

- D. Subsequent Vacancies -- The Board shall fill such subsequent vacancies by transferring, on the basis of job classification seniority, any person with the appropriate job classification who has on file application for transfer to such location.
- E. After the above transfer procedures have been completed, any remaining vacancies shall be filled by promotional examination in accordance with the rules and regulations of the Civil Service Commission and the provisions hereinafter set forth.

No new employee, successful job bidding applicant, or transfer applicant under the above procedure may submit a job bid or transfer application until the lapse of one (1) year from the date of employment or reassignment, except where such reassignment was a result of the closing or announced closing of a school.

Transfer requests by Civil Service employees shall indicate no more than six (6) specific work locations or school buildings. Transfer requests may be made at any time during the year, but all requests will expire on December 31 of each year. Transfer requests for the next year may be submitted during the preceding November and December but shall not become active requests until January 1. Transfer requests may be withdrawn at any time by the employee. The Board may require the transfer of the eligible applicant to a requested location when a request is on file at the time the vacancy or the expected vacancy becomes known to the Board. Central office clerical personnel may request adjustment of their work schedule from their administrative supervisor with the understanding that, should their request be honored, readjustment can be made at the discretion of the responsible administrator.

11.10

Storekeepers

A. Bidding Procedure

- (1) Permanent Job Opening -- A notice indicating that a permanent job opening in a storekeeper classification exists setting forth the location of the position shall be posted for five (5) work days.
- (2) During such five (5) days, storekeepers with the requisite job classification may apply for such vacancy by sending a written request for transfer to the Director of Classified Personnel.
- (3) The job opening shall be awarded to the applicant having the highest requisite job classification seniority.

B. Overtime

- (1) Storekeepers assigned to the warehouse shall be offered overtime and extra time in the appropriate classification on a rotating basis beginning initially with the most senior storekeeper on a job classification basis.
- (2) Any storekeeper who is absent on the day the overtime is offered or absent on the day the overtime is worked shall lose that turn.

- (3) A storekeeper may be removed from the overtime rotation as a result of formal discipline action related to overtime duties.

- 11.11 Nothing in the foregoing procedure for filling job vacancies shall detract from the right of the Board to temporarily fill job vacancies, without regard to seniority, until such time as a permanent replacement is secured through application of the appropriate procedure set forth in Sections 11.2 through 11.10.
- 11.12 All new bargaining unit Civil Service positions within existing classifications and all original vacancies shall be posted in accordance with the procedures provided in 11.2 through 11.10 and shall set forth a description of the duties, work locations, and salary range, for at least five (5) work days. Employees desiring to have such opening shall submit their bid to the Director of Classified Personnel or his designee as indicated on the posting within three (3) work days of the last day of the posting. The Board shall grant such position to the qualified (under Civil Service) person in the appropriate job classification having the greatest job classification seniority.

11.13 Posting of Examination Times and Places

The Board shall distribute to each school and work location all notifications of examinations including the date, time, and place of the examination at least five (5) days before the deadline for submitting an application for the examination. CSEA shall accept responsibility for designating one bargaining unit member in each such location to post such notices and shall identify such member to the administrator in charge. Applicants for a position for which an examination is being given, who have the qualifications to take the examination, shall be released from school duties to take the examination without loss of pay.

11.14 Reduction in Work Force or Layoffs

Whenever it becomes necessary to reduce the number of employees in a job class due to abolition of a position or lack of funds, or lack of work, provisional employees in the class shall be laid off first, followed by permanent employees. The layoff of classified employees shall be in accordance with the following and shall be in accordance with approved Civil Service law:

- A. Within a class, the employee with the least seniority in the class affected shall be the first laid off, with additional layoffs in the class made on the same basis.

- B. An employee laid off under paragraph A above shall have the right to displace an employee in a lower class within the same class series provided the first employee possesses more class series seniority than the second employee at or above the class of the second employee.
- C. An employee on layoff shall maintain reinstatement rights for a period of two (2) years from the date of layoff.
- D. Vacancies occurring in a class of layoff shall be offered to employees with the most class series seniority at or above the class to be filled in the reverse order of layoff.
- E. The above provisions with respect to layoff shall apply to educational aides, except as the layoff procedure set forth in paragraphs A, C, and D above is affected by funding restrictions where the funding of an aide program remaining contains restrictions on the qualifications of the aides which require deviation from paragraphs A, B, and D above.

11.15 The Board shall provide the President of the Association with a written notification of all transfers of bargaining unit personnel within ten (10) days after the effective dates of such transfers.

11.16 In addition to the specific posting requirements contained elsewhere in this Article, it is agreed that posting of job vacancies and of examination times and places shall be in each of the school buildings. Recognizing, however, that situations can result in a notification being misplaced or lost, such notices shall always be posted year around at the following schools, at the location indicated.

- A. The position is not abolished during the leave;
- B. The employee files a Worker's Compensation claim within thirty (30) days after the injury and so notifies the Director of Classified Personnel in writing during such thirty (30) day period; and
- C. The return is within one (1) year of the injury.

The right to return to the same job assignment is void if the Worker's Compensation claim is denied. The Board may assign replacement employees on a provisional or limited basis with notification that the employee will be reduced, transferred, or terminated upon the return of the injured employee.

11.18 Any member of the bargaining unit who voluntarily resigns shall lose all seniority as provided in Article 11.

- 11.19
- A. All Civil Service examinations for positions within the bargaining unit shall comply with Civil Service rules and regulations. All items on all promotional Civil Service examinations for positions in the bargaining unit shall be reduced to writing; however, responses may be other than written. All such tests must meet an acceptable standard of objectivity. In promotional examinations, efficiency and seniority in service may form a part of the maximum mark attainable in such examinations.
 - B. The President or designee of the President of the Columbus Public Schools Chapter of the Ohio Association of Public School Employees shall be furnished, upon request in person, an initial copy of each Civil Service eligible list and shall have the right to update such copy any time during normal working hours.
 - C. All tests for classes that are developed by the Board of Education Civil Service office will be based on a detailed job analysis. The job analysis, when technically feasible, will include but not be limited to on-the-job observation of incumbents in the class to be tested, interviews and input from supervisors, permanent bargaining unit incumbents in the class, and other subject matter specialists. When practical, areas subject to testing and potential test items will be presented to the job analysis participants for their review as to job relevance and applicability. The Board will invite the President of the Columbus School Employees Association of the Ohio Association of Public School Employees to suggest

a number of bargaining unit members for participation in the job analysis process. A part of this job analysis process will include a review of the appropriate eligibility requirements for the class. Further, the Association is encouraged to review eligibility requirements for other classes and to meet with representatives of the Board in order to make recommendations related to such eligibility requirements. The parties recognize that the Commission must make the final determination on eligibility requirements.

- D. The President of the Columbus School Employees Association of the Ohio Association of Public School Employees shall be furnished with a current copy of the Agreement between the Board and the Municipal Civil Service Commission of the City of Columbus, and such Agreement may be, for reference purposes only, attached to the Agreement between the Board and the Association.
- E. All new or revised class specifications shall be sent to the Association President prior to being submitted to the Civil Service Commission.

- 11.20 Certified eligibles for vacancies within the bargaining unit for classes above the entry level in the maintenance department and certified eligibles for Head Custodian I, II, and III shall only be required to be interviewed by the Director of Classified Personnel or his central office designee. Certified eligibles for vacancies within the bargaining unit for classes above the entry level in the food service department shall be interviewed by central office food service administrative staff. Nothing in this paragraph is intended to restrict or prohibit the right of the Board to invite such eligibles to visit the work location and discuss the vacant position with the administrator at the work site.
- 11.21 No administrator or classified supervisor shall be involved in the interview process for the selection of an employee where such potential employee is a relative of the administrator or supervisor.
- 11.22 Within twenty (20) work days of notification of a promotion, an employee will be placed in the promotional position, except when an effective date for the position has been established in the certification letter, in which case the employee will be placed in the promotional position within ten (10) work days of the established date.

ARTICLE 12
SICK LEAVE AND RELATED ABSENCES

- 12.1 Every regular employee shall be entitled to one and one-fourth ($1\frac{1}{4}$) days of sick leave per calendar month throughout the calendar year unless on leave of absence. Such sick leave shall be calculated at the rate of 4.6 hours per 80 hours worked. Total accumulated sick leave credit shall not exceed two hundred twenty-five (225) work days. For less than eight-hour employees and employees working less than twelve months per year, sick leave shall be accumulated at the rate of 4.6 hours for each 80 hours of employment; provided, however, that total accumulated sick leave credit shall not exceed two hundred twenty-five (225) work days. Employees working less than 12 months shall also accumulate sick leave at the rate of 4.6 hours for each eighty (80) hours based on the employee's scheduled hours of work during the preceding school year for the summer months when school was not in session. Such earned sick leave for the summer months shall be credited to the employee's sick leave account upon his returning to work at the beginning of the next school year.

Each new employee shall be credited with five (5) days of sick leave or the proportionate part as calculated above, which may be used in case any such employee is unable to work because of personal illness or illness or death in his immediate family after beginning his employment but before he has accumulated that amount of sick leave as provided for above. If any of said five (5) days of sick leave is used, it shall be deducted from the total sick leave which he may accumulate during the first year of service, as provided in the preceding paragraph of this section. A paid holiday shall not be charged against the earned sick leave of a regular employee.

Classified personnel with a regularly scheduled work day of less than eight hours per day may calculate their accumulated sick leave in the following manner:

A. School Clerks' Sick Leave Calculation

School clerks who work less than seven hours multiply their sick leave accumulation by 7 in order to determine accumulated hours of sick leave. The answer should be divided by the number of hours per day the employee regularly works in order to determine the number of days of absence covered by accumulated sick leave.

B. All Other Classified Employee's Sick Leave Calculation

Other classified personnel who work less than eight hours per day may follow the same procedure as provided in paragraph A above, except multiply the sick leave accumulation by 8 and then divide by the number of hours regularly worked.

12.2 Sick leave with pay may be used only for the following purposes:

- A. For absence of the employee due to illness, injury, or exposure to contagious diseases which could be communicated to other employees or school children.
- B. For absence of the employee due to illness of a member of the employee's immediate family. For the purposes of this section, "immediate family" is defined as the father, mother, brother, sister, son, daughter, husband or wife of an employee; and, if they reside in the home of the employee, the grandmother, grandfather, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the said employee.
 - (1) If an employee is absent not more than five (5) consecutive school days because of the illness of a member of the employee's immediate family, the employee need only make the report of absence required by Section 12.3 of this Agreement in order to be eligible for sick leave with pay for such absence.
 - (2) If an employee is absent in excess of five (5) consecutive school days for this reason, the employee must provide the Director of Classified Personnel with a doctor's certificate setting forth the identity of the patient, the nature of the illness involved and the need for the absence of the employee, in order for the employee to be eligible for sick leave with pay for such absence.
 - (3) Sick leave may be used due to the illness of a grandmother, grandfather, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of an employee who does not reside in the home of the employee, only if the employee provides the Director of Classified Personnel with a doctor's certificate setting forth the identity of the patient, the nature of the illness involved and the need for the absence of the employee and the Director of Classified Personnel approves the use of sick leave for such purpose.

- C. For absence due to death in the immediate family of an employee. Death in the immediate family of an employee is defined to mean the death of the father, mother, brother, sister, son, daughter, husband, wife, grandmother, grandfather, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the said employee. Such death leave will normally be for a period of five (5) school days. If it is necessary for an employee to be absent from work on death leave more than five (5) school days, permission for such additional leave must be secured from the Director of Classified Personnel.
- D. Absence due to personal illness related to pregnancy.
- E. For absence due to injury resulting from a physical assault on an employee which occurs on Board premises or which occurs off Board premises in connection with the performance of assigned duties, subject to the following stipulations:
- (1) The employee's conduct was within the bounds of general standards of proper and appropriate behavior;
 - (2) The employee's immediate supervisor or other appropriate supervisor or administrator is notified as soon as possible of the occurrence;
 - (3) The employee submits the certificate required in case of sick leave absence, accompanied by the physician's statement required below;
 - (4) The employee provides a physician's statement describing the nature and duration of the resulting disability and the necessity of absence from regular employment, with the findings of the physician subject to review by the Board physician;
 - (5) In the event the foregoing conditions are satisfied, none of the first twenty (20) days of absence resulting from such occurrence shall be deducted from the employee's accumulated sick leave or personal leave;
 - (6) Worker's Compensation cannot be received simultaneously with sick leave benefits.
- F. Absence on Sundays, holidays, and non-work days shall not be charged against sick leave.

12.3

Certification required in case of sick leave absence is as follows:

- A. When an employee is absent, a report for such absence, signed by the employee and his principal or immediate superior, shall be completed by such employee on a form supplied by the Board, which form shall be filed with the Treasurer within ten (10) days following the last day of absence.
- B. If an employee has received medical attention during his period of absence, his report must set forth the name and address of his attending physician and the dates when he was consulted. The filing of any willfully false statement by an employee shall be considered by the Board as grounds for disciplinary action in such form and manner as the Board may deem advisable.
- C. Employees who have been out of school on account of serious illness, extending over a period of three or more weeks, must have the approval of the Superintendent, based upon the report of the School Physician, before returning to regular school work.

12.4

At least five (5) days prior to a change by the Board of the employment status or insurance coverage of an employee who is on sick leave and whose sick leave has expired, the Board shall notify the employee of his options and responsibilities. At the time an employee is officially notified that he has been granted a leave of absence, the Board shall notify the employee of his options and responsibilities with regard to maintaining insurance and with regard to his return to duty. Such notification as provided above shall be sent by certified mail, return receipt requested, to the last address provided the Board by the employee as shown on the employee's paycheck.

12.5

Members of the bargaining unit may, at the time of their separation from service with the Columbus Public Schools, elect to be paid in cash for one-fourth ($\frac{1}{4}$) of the value of their accrued but unused sick leave credit. Only those members of the bargaining unit whose effective date of retirement with the School Employees Retirement System is no later than ninety (90) calendar days after the last paid day of service or the last day of an unpaid leave of absence with the Columbus Public Schools, shall be eligible to be paid for such accrued but unused sick leave credit. The maximum payment which may be made shall be for one-fourth ($\frac{1}{4}$) of one hundred twenty (120) days plus one-fourth ($\frac{1}{4}$) of the member's accrued but unused sick leave in excess of one hundred twenty (120) days which are equal to the member's accrued but unused personal leave days. Such payment shall be based on the

employee's rate of pay at the time of separation. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at that time. Such payment shall be made only once to any employee. Such payment shall be made no later than sixty (60) calendar days after the effective date of retirement with the School Employees Retirement System.

- 12.6 Severance pay benefits for an eligible member of the bargaining unit who dies while on active status or on leave of absence shall be paid to the member's life insurance beneficiary. The implementation of this benefit shall become effective September 1, 1980.

ARTICLE 13
OTHER LEAVES

- 13.1 An employee may be absent, with pay, on a day identified by a duly constituted religious body as a religious holiday. Requests for such absence shall be made of the Director of Classified Personnel at least ten (10) school days prior to the holiday. Such absence shall not exceed three (3) days during the school year, which days shall not be deducted from sick leave.
- 13.2 A. Each employee shall be credited with two (2) personal leave days each year and may use personal leave days for absence due to personal reasons. Personal leave days shall not be deducted from sick leave, and unused personal leave days shall be cumulative from year to year. If possible, an employee will give his building principal or other immediate supervisor twenty-four (24) hours' advance notice of his intention to take such leave. When an employee is absent for personal reasons, a report of such absence, signed by the employee and his building principal or other immediate supervisor, shall be filed with the Treasurer within ten (10) days following the last day of absence. Such report shall contain certification by the employee that his absence was not for one of the reasons proscribed below. The filing of a false statement by an employee shall be considered by the Board as grounds for disciplinary action in such form and manner as the Board may deem advisable. The following do not constitute valid reasons for the use of personal leave:
- (1) Gainful employment,
 - (2) Any activity in connection with or in planning for a strike or any other work stoppage, or any concerted action related to a strike or work stoppage.
- B. For purposes of this section, a year is from September 1 to the following August 31. Employees appointed after September 1 in a given year shall be credited with one (1) day of personal leave in that year, and employees appointed after March 1 in a given year shall not be credited with any personal leave in that year. Employees on an unpaid leave of absence in excess of ninety (90) calendar days during their scheduled work year shall be credited with one (1) day of personal leave in that year, and employees on an unpaid leave of absence in excess of one hundred eighty (180) calendar days shall not be credited with any personal leave in that year. New employees shall not be eligible to use personal leave during their probationary period.

C. Procedures for the administration of personal leave shall be as follows:

(1) When an employee intends to use personal leave, he shall give his building principal or other immediate supervisor twenty-four (24) hours' advance notice, if possible.

(2) Upon returning from the leave, the employee shall complete the contractually required report.

D. In addition to the above, an employee may be absent one (1) day a year for emergency personal reasons as a result of a written request approved in advance by the Assistant Superintendent, Support Services, or his designee. Such additional day may not be accrued from year to year and shall be granted only under extreme conditions as deemed appropriate by such Assistant Superintendent. No action taken by the Board or its administrative agents in connection with this paragraph "D" shall be subject to the grievance procedure.

E. The provisions of 13.2 above shall become effective September 1, 1980. During the term of this Agreement prior to September 1, 1980, emergency personal leave shall continue to be administered as provided in the Agreement between the parties expiring on June 30, 1980.

13.3

A three (3) day leave of absence with pay shall be granted to officers of the Columbus School Employees Association and duly certified delegates to the OAPSE annual convention, provided that such number of delegates shall not exceed a total of three (3) delegates from each OAPSE Chapter plus the four (4) CSEA officers, except that the total number of delegates shall not exceed thirty-five (35). If certain chapters, as certified by the Association, are not entitled to or do not utilize three (3) delegates, that delegate authorization may be used by other chapters as directed by the President of CSEA, except that no more than two (2) employees shall be granted such a paid leave from any classification with thirty (30) or less employees. Additional employees may be granted a three (3) day leave of absence, without pay, to attend the OAPSE annual convention; provided, however, that such leaves of absence will not be approved if, in the judgment of the Assistant Superintendent, Support Services, such absence will interfere with the efficient operation of any department or working unit. Delegates may attend the convention only after a formal written request is submitted at least thirty (30) days prior to such convention and approval has been received from the Director of Classified Personnel.

13.4

A. In accordance with the provisions of Revised Code, Section 3319.13, the Board of Education shall grant a leave of absence for a period not exceeding two (2) successive school years where illness or other disability is the reason for the request. This provision is not intended to limit other requirements of Section 3319.13 as they affect bargaining unit employees.

B. The Board of Education shall continue to carry, on payroll records, all employees whose sick leave accumulation has expired, provided they are on an approved leave of absence as a result of illness or other disability for the purpose of continued insurance coverage(s) which the employee may elect to maintain by making monthly payments in the amount of the monthly premium for hospitalization and/or life insurance.

C. If the basis for the approved leave of absence, after sick leave has expired, is the result of an allowed Worker's Compensation claim in which the Board of Education was the employer, the Board shall continue to pay that portion of the hospitalization and life insurance premiums for the employee involved in accordance with other sections of this Agreement during the period of such absence, provided: (a) such period shall not exceed two (2) years, and (b) the employee does not elect to take retirement including disability retirement through the School Employees Retirement System.

D. The payments by the Board provided in paragraph C above shall be initiated and maintained in accordance with the following:

- (1) The employee or his designee must notify the Director of Classified Personnel in writing of any Worker's Compensation claim within thirty (30) days of the injury resulting in the claim or the reactivation of a claim. In the event of such notification to the Director of Classified Personnel, the Board shall continue such payments for a maximum of one hundred twenty (120) days from the date of the injury while the claim is being processed.
- (2) Failure to provide notifications required in (1) above will terminate the Board's responsibility to provide such insurance benefits.

13.5

Employees shall be paid for all time lost when the Board determines that schools are officially closed on a systemwide basis owing to disease epidemic, hazardous weather condition, or other public calamity. Nothing herein shall be construed as requiring payment in excess of the employee's regular wage rate or salary for any time worked while the school in which he is employed is officially closed for the reasons set forth herein. Members of the bargaining unit who are, by reason of their assignment, required to work when schools are closed for such reasons shall be given equal compensatory time off. The compensatory time shall be taken at a time that is mutually agreeable to the employee and the employee's supervisor and shall be taken, where practical, within a two-week period following the day when the compensatory time was earned.

13.6 Employees shall be paid for all time lost when the Board determines that one or more individual schools are closed owing to damage to a school building, other temporary circumstances due to utility failure, or other public calamity, and no work is available in the closed school within the employee's classification, except that the Board may offer such employees work within their classification at other schools or the Food Production Center. Employees declining such other work shall not be paid for time lost, except that employees with a scheduled work day of four (4) hours or less shall not be required to report on the first day to another location in order to be paid. In the event the school is closed after employees report to work, the necessary travel time to the temporary location shall be considered a part of the work day. The employee shall be paid the mileage rate if the distance is more than four (4) miles.

13.7 A member of the bargaining unit returning from a leave of absence shall be assured of the reinstatement of all fringe benefits provided by this Agreement for which said member is eligible under the terms of this Agreement.

Employees shall receive the equivalent of their regular straight time hourly rate for their normal daily hours of work for such holidays. In order to be eligible for holiday pay, an employee must accrue earnings on his last scheduled work day prior to such holiday and his first scheduled work day following such holiday, unless on either of such days the employee was on an excused absence, or on sick leave for which pay was granted.

- 14.3 Holidays falling on Saturday shall be celebrated on the preceding Friday unless the preceding Friday is a regularly scheduled day of pupil attendance, in which event, the Monday following Saturday shall be celebrated as the holiday. In the event such Monday is also a regularly scheduled day of pupil attendance, then the employee otherwise eligible for holiday pay shall be paid the equivalent of one day's pay at his regular rate for such holiday in addition to his normal pay for that day.

14.6 In the event, during the term of this Agreement, the school calendar is changed so that the pupils are in attendance on days presently specified as paid holidays for bargaining unit personnel in this Article, then the designated holidays herein may be changed, provided that the number of paid holidays for employees in each job classification shall not be reduced in number. In the event this sub-paragraph becomes applicable, the matter of exchange of holidays shall be referred to the Conference Committee pursuant to Section 17.3 of this Agreement.

ARTICLE 15 VACATION

15.1 Vacation eligibility - All bargaining unit employees employed on the basis of a scheduled work year of eleven or twelve months shall be entitled to accrue vacation with full pay in accordance with the following schedule:

* 0 but less than 5 years	10 days
5 but less than 10 years	13 days
10 but less than 15 years	16 days
15 but less than 20 years	19 days
20 but less than 25 years	22 days
25 years and above	25 days

*Vacation accrued during the first year of employment shall be forfeited if the employee does not complete one full year of employment with the Board.

15.2 Vacation scheduling -- Eleven- and twelve-month employees shall be permitted to take vacations, after they are earned, between June 15 and August 15, subject to the following:

- A. At least one (1) custodian in elementary and middle schools and at least two (2) custodians in high schools may be required to be on duty.
- B. At least one-third of employees in an assigned work location may be required to be on duty.
- C. The provisions of A and B above shall not prohibit employees from taking their annual vacation, and the more senior employees, based on classification seniority, shall have preference over the more junior employees with regard to vacation scheduling.
- D. Employees in the Treasurer's Office and Data Processing Department shall continue to arrange vacation with their supervisors at mutually convenient times.
- E. The administrative practice of arranging summer vacation schedules in the late spring shall continue during the term of this Agreement.

Permission shall be granted for a vacation at another time if a request is submitted to the Assistant Superintendent, Support Services, not less than thirty (30) calendar days in advance of such requested vacation, provided such Assistant Superintendent deems that such vacation will not interfere with the normal operation of the school system.

- 15.3 The provisions of Section 3319.084 of the Ohio Revised Code shall apply to bargaining unit personnel for the purpose of determining vacation eligibility.

ARTICLE 16 HOURS OF WORK AND OVERTIME

- 16.1 The Board will pay overtime at the rate of one and one-half ($1\frac{1}{2}$) regular hourly rate for all hours worked in excess of eight (8) hours on any day or for all hours over forty (40) in any week. All overtime work must be authorized by the Assistant Superintendent, Support Services. An employee shall receive his regular straight-time hourly rate for all hours worked in excess of his regularly scheduled hours up to eight (8) in any day or forty (40) in any week.
- 16.2 During the term of this Agreement, the overtime rate shall be paid to bus drivers for time in excess of eight (8) hours of work or in excess of a ten- (10) hour span, whichever computation produces the greater overtime. There shall be no more than two (2) segments used to compute a bus driver's work day.
- 16.3 The normal schedule of hours for all regular full-time employees shall consist of eight (8) hours of work five (5) days per week, except where there is a seven- (7) day operation made necessary by the nature of the work. If the work week for any position is normally five (5) days, work performed on Saturday or Sunday, as a part of said work week, shall be paid at one and one-half ($1\frac{1}{2}$) times.

- 16.4 The normal schedule of hours for regular part-time employees shall consist of two, three, four, five, six, or seven consecutive hours of work, five (5) days per week.
- 16.5 There shall be no pyramiding or duplication of overtime pay. Where two overtime or premium rates are applicable, only one shall be paid.
- 16.6 When an employee is required to make an elementary school building check on a day when he is not regularly scheduled to work, said employee shall be paid a minimum of one (1) hour at the rate of time and one-half his regular pay. When an employee is required to make a middle or senior high school building check on a day when he is not regularly scheduled to work, said employee shall be paid a minimum of one and one-half (1½) hours at the rate of time and one-half his regular pay.
- 16.7 Custodial overtime at a work location shall be offered to all custodial and head custodial, including head operating personnel on a rotation basis beginning with the most senior based on job classification seniority. Exceptions to this policy may be made for the following reasons:
- A. When overtime duties to be performed require the presence of the head custodian (head operating employee).
 - B. When the need for assigned overtime is identified with less than twenty-four (24) hours' advance notice.
 - C. When the overtime requires performance of a duty which is not practical for a Custodian I, the Custodian I may be passed but will again be placed on the rotation list for the next available overtime that is consistent with Custodian I duties.
 - D. Building check is not included for purposes of overtime rotation.

Because of the wide variance in advance notice, some overtime may be offered or assigned well in advance while other overtime may be offered or assigned on relatively short notice. Each head custodian, in consultation with and at the direction of the building administrator, may develop the procedures most suitable to a given work location. Such procedures may include offering known overtime at a pre-determined time each week or each month or some combination of the two approaches or some other suitable approach. Personnel who are absent on the day the overtime is offered or absent on the day the overtime is worked shall lose that turn. A custodian, head custodian, or head operating employee may be removed from the overtime rotation as a result of formal discipline action related to overtime duties. When a custodian refuses three (3) consecutive overtime opportunities in one school year, he shall be dropped from the overtime rotation list for the remainder of the year.

- 16.8 Cafeteria employees scheduled to work four (4) hours or less shall not be required to take a one-half hour lunch break during said four (4) hours or less scheduled hours; provided, however, employees working four- (4) hour schedules will be permitted to take a ten-minute break during such four- (4) hour period.
- 16.9 Any employee assigned to work in a higher job classification shall be paid, during the period of such assignment, at the rate for the higher job classification, provided such assignment is for more than five (5) consecutive work days or the employee does work five (5) consecutive work days or longer in the higher job classification. The rate of pay shall be determined by application of the provisions of Section 21.7 of this Agreement. Assignments of custodians during the summer months as a result of vacation schedules for head custodians shall not be subject to the above provisions of this Section.
- 16.10 The provisions of 16.1 shall apply to school secretaries. Compensatory time off for work beyond the scheduled work day by school secretaries shall be based on the provisions of 16.1 with regard to straight time and time and one-half and shall be on a voluntary basis. Work required beyond the scheduled work day by school secretaries shall be based on the provisions of 16.1 and shall be on a paid basis as authorized by the Director of Classified Personnel unless, by prior mutual agreement of the secretary and principal, compensatory time is to be taken.
- 16.11 Regular employees in the appropriate classification shall be offered overtime or extra time at the Food Production Center before substitutes.
- 16.12 Employees working a scheduled day of seven (7) or more hours shall be provided two (2) fifteen-minute breaks, one of which shall occur during the first half and one of which shall occur during the last half of the work day. Employees working a scheduled day of four (4) or more hours shall be provided one (1) fifteen-minute break. The break(s) may be scheduled by the responsible supervisor and may not be used to adjust the employee's scheduled work day. For food service personnel, the breaks provided in this provision shall be ten-minute breaks.
- 16.13 In the event it is necessary for the Board to deduct pay from a member of the bargaining unit as a result of a previous overpayment, the employee shall be advised in writing, at least five (5) work days in advance of the applicable pay day, of the reason for the deduction and the amount to be deducted. A request by the employee or his representative for a conference to discuss matters related to the deduction shall be granted and held prior to the deduction, provided the employee makes a request for the conference by the end of the work day following the day of receipt of the notice.

ARTICLE 17
MISCELLANEOUS

17.1 In-Service Procedures

Classified employees shall attend a minimum of two in-service meetings per calendar year, when such meetings, designed to help improve the efficiency or ease of the work, are offered in either the field of present work of the individual employee or in a field of work to which said individual employee might reasonably aspire. Such meetings may be scheduled during the regular working hours of the employee, but it shall not be a requirement that such meetings be held during the employee's assigned working hours. No employee will be required to attend an in-service meeting during his vacation or holidays.

Five (5) days prior to the established meeting date each party shall submit an agenda of items to be discussed, and the meeting discussion shall be limited to the prepared agenda unless the parties mutually agree otherwise. Three (3) members of the committee shall be appointed by the Administration and three (3) shall be appointed by the Association.

17.4 Any employee covered by this Agreement who is required to serve on a jury shall upon submission of proof of jury service be paid the difference between his jury pay and his base rate of pay (not to exceed eight hours per day) for the regularly scheduled work days lost while serving on the jury. Such leave shall not be deducted from sick leave.

17.5 Any employee injured as a result of an industrial injury for which Worker's Compensation is payable shall have the opportunity of electing to receive temporary total compensation benefits prior to exhausting accrued sick leave benefits or vacation pay.

17.6 The Board of Education shall permit members of the bargaining unit to attend adult or evening classes where not in conflict with work schedules free of tuition, provided the employee meets the eligibility requirements for enrollment in the course and provided that the course is related to their primary work function for the Board or Education or will enable the employee to qualify for a higher classification within the school system. Initial inquiries by employees about the appropriateness of specific courses should be directed to the Director of Classified Personnel.

- 17.7 The parties agree that if the present evaluation program of non-certified personnel involving the rating of such personnel by superiors is continued, during the course of such evaluation, discussion will occur with the personnel involved in the evaluation and the final evaluation report will be reviewed with the employee involved.
- 17.8 Whenever the Board of Education is informed that a job audit is being conducted involving the members of the bargaining unit, it shall promptly notify the President of the Association of such audit including the positions being audited and by whom the audit is being conducted. The Board of Education shall also inform the person conducting the audit of the provisions of this Section. Upon receipt of such notice, the Association may request to meet with the Administration or its appropriate representatives to discuss their respective positions concerning the jobs under audit. The Association may, if it desires, request the Civil Service Commission or the person conducting the audit to allow the Association to state its position on the job under audit.
- 17.9 It shall be the policy of the Board of Education that consideration be given to members of the bargaining unit prior to consideration of other applicants when filling positions at the Board of Education that do not require a teaching certificate, in the event such position does not fall within the bargaining unit. The Board shall notify the President of the Columbus School Employees Association of any such vacancy in existing positions and of any such new positions established.
- 17.10 Substitute employees working regularly for a period in excess of thirty (30) days or during a leave of absence of another employee in excess of thirty (30) days shall be entitled to all the rights and benefits provided for other personnel in this Agreement effective with the first day of the first full pay period after said thirty (30) days.
- Emergency labor, when used in excess of thirty (30) days and working on jobs normally performed by members of the bargaining unit, shall be entitled to all the rights, privileges and benefits granted to other personnel in this Agreement effective with the first day of the first full pay period after said thirty (30) days.
- Regular substitutes, when available, shall be used before emergency substitutes.
- 17.11 All employees required to attend food service meetings and educational aide meetings shall be paid in accordance with this Agreement.
- 17.12 When the Board intends to create a new classification within the bargaining unit, the salary range for such classification shall be discussed with representatives of the bargaining unit prior to filling the position.

17.13

- A. A conference conducted by a supervisor or administrator with an employee may be summarized in a written conference report by such supervisor or administrator. The employee may be accompanied by a representative, who is another employee or an OAPSE representative, provided the conference results in a written conference report which will be placed in the employee's personnel file located at the Education Center. The supervisor or administrator conducting the conference may also be accompanied. The employee shall be advised, at the time such a conference is arranged, of the possibility of such a report. Arrangements by the employee for a representative shall not delay the conference, except that a prearranged conference involving a central office supervisor or administrator will normally be scheduled at least two (2) days in advance.
- B. The supervisor or administrator shall sign the conference report and shall provide the employee the right to indicate his views regarding the contents of the conference report in a space that shall be provided for this purpose on the conference report form. The employee shall be allowed three (3) work days in which to prepare and place such views on the conference report form, sign the conference report, and return it to the supervisor or administrator. The employee's signature indicates only that the employee has seen the report and does not indicate either agreement or disagreement with the contents of the report.
- C. Disciplinary actions which require use of a Civil Service Personnel Action form shall be based on procedures which include the following:
 - (1) The employee shall normally receive at least three (3) work days' prior written notice of a conference or hearing which indicates the specific nature of the concern(s) which led to the conference or hearing.

17.14

An employee may request the removal of disciplinary Personnel Actions from his personnel file after three (3) years of good behavior as demonstrated by a lack of any disciplinary Personnel Actions during the most recent three (3) years. Such a request meeting the requirements indicated immediately above shall be honored. Employees who are required to attend a disciplinary hearing or a grievance hearing during their regularly scheduled work day shall be paid at their regular rate of pay for such time.

- 17.15 Anyone viewing the personnel file of an employee, except Board employees assigned to the personnel department or supervisors and administrators, shall sign and date a form provided for this purpose in the employee's personnel file.
- 17.16 Tardiness of less than fifteen (15) minutes for a scheduled shift shall not be the basis for denying an employee the right to work the remainder of the shift. Nothing in this provision shall limit the right of the Board to discipline an employee for tardiness of less than fifteen (15) minutes, and denial of the right to work for tardiness in excess of fifteen (15) minutes shall not limit the right of the Board to take other disciplinary action in connection with such tardiness.
- 17.17 Any complaint received by phone concerning a bargaining unit member shall include the name, address, and phone number if available, of the complainant, or such unsubstantiated complaint shall not be the basis for any action against the employee and shall not be placed in the employee's file. Such a complaint may be orally communicated to the employee.

ARTICLE 18 INTERIM NEGOTIATIONS

- 18.1 During the term of this Agreement, if there is any change in state law which would invalidate any provision of this Agreement, the parties will meet to negotiate any necessary change in the Agreement relative to the affected provision only.
- 18.2 On written request to the Association, the Board President or his designated representative shall call for the initial meeting of the Joint Negotiation Committee for the purpose of interim negotiations to be held not later than five (5) days after receipt of such written request. Negotiation meetings shall be held as often as necessary pursuant to the procedures set forth in "C. 1." of the Procedures for Negotiations; however, the last negotiations meeting should be held not later than fifteen (15) days after the first meeting. In the event the members of the Joint Negotiation Committee are unable to reach agreement during the period of interim negotiations, the parties shall jointly request the services of the Federal Mediation and Conciliation Service. Mediation shall continue until all issues are resolved or until such time as the parties jointly request the termination of the mediation process.
- 18.3 In the event, during the term of this Agreement, additional funds from the State require mandated raises for members of the bargaining unit, the salary increases herein provided shall be considered to be a result of such mandated raises and any such stipulated raises that require the Board to exceed the salary levels provided herein in any given year shall not result in increasing the salary levels provided in the succeeding year(s).

ARTICLE 19
JOB SECURITY

- 19.1 Aides, student helpers, temporary employees and volunteers shall not be used to fill a position within any of the job classifications covered by this Agreement except as expressly permitted by this Agreement or in the event regular full-time people are not available to fill the position.
- 19.2 In the event under Section 19.1, above, it becomes necessary to use aides, student helpers or temporary employees to fill positions in job classifications covered by this Agreement, such temporary employee, aide or student helper shall be paid at the rate of pay specified in this Agreement for such job at Step 1.
- 19.3 The parties understand and agree that from time to time the Board enters into work study programs and other programs designed to further the technical education of students and give them employment experience and undertakes other educational programs which call for the employment of student helpers or other people involved in study programs. The above provisions of this Agreement are not intended to exclude such educational programs; however, the employment of persons under those programs shall not in any way be used to reduce the number of employees of the Board or be used to reduce the hours of employees of the Board.
- 19.4 A. In the event a school clerical position exists for a secondary summer school program, the position will first be offered to the school secretary assigned to the location during the school year. The position will next be offered to the school secretary who held the position in the available location the previous summer. The position will next be offered to other school secretaries and awarded on the basis of department seniority. School secretaries in secondary summer school programs shall be paid their existing hourly rate of pay.
- B. In the event a summer school helper position exists for an elementary summer school program, the position will first be offered to the school secretary assigned to the location during the school year. The position will next be offered to the school secretary who held the position in the available location the previous summer. The position will next be offered to other school secretaries on the basis of department seniority. The position will next be offered to educational aides, first on the basis of assignment in the position at the location the previous summer and next on the basis of department seniority. School secretaries in elementary summer

school helper positions shall be paid at an hourly rate equal to the first step of the pay range for a Typist Clerk I in Special Ranges for School Clerks. Educational aides in summer school helper positions shall be paid their existing hourly rate of pay as an educational aide.

- C. By April 15 of each year, the Director of Classified Personnel shall distribute a form to all work locations. This form shall be for secretaries and aides to indicate their desire for summer positions. The Director of Classified Personnel shall then proceed to award the available positions on the basis of the desires indicated on such form and in compliance with the provisions of A and B above.

19.5 Effective with this Agreement, no school clerk shall be required to accept the responsibilities of the school treasurer position.

19.6 A. Notwithstanding the provisions of 11.2F, summer cleaning positions in individual schools which are determined by the Board to be available for school-year employees shall be offered to school-year bus drivers and food service personnel on the basis of system seniority. Such positions shall be for a minimum of five (5) hours per day.

- B. Summer food service positions determined by the Board to be available to food service personnel shall be awarded to food service employees based on the appropriate job classification seniority.

19.7 If an employee is dismissed and the employee is reinstated through a proper appeal, all seniority rights shall be restored as if dismissal had not occurred, and the employee shall be reinstated in insurance programs on the same basis that exists at the time of reinstatement.

19.8 During the term of this Agreement, the Board shall reduce the number of calendar-year, eight- (8) hour bus driver positions only by attrition of such present employees or as a part of a general layoff in all classes of bus drivers.

19.9 In the event action by the Ohio Legislature permits the "pick-up" of employee contributions to SERS to be used in the calculation of final average salary, and subject to SERS regulations, the Board will meet with representatives of the Association to establish procedures which will allow all members of the bargaining unit to have their employee contributions to SERS be considered as employer "pick-up" for calculation of Federal Income Tax and state income tax. The Board will have at least sixty (60) days from the time agreements are reached to do all things necessary to implement this Article. This change in procedure will be of no cost to the Board and is solely for the purpose of reducing current tax for members of the bargaining unit and will remain in effect so long as Revenue Ruling No. 77-462 remains substantially unchanged.

ARTICLE 20
INSURANCE

20.1 Hospital, Surgical, and Major Medical Insurance

- A. During the term of this Agreement, the Board shall continue the current hospital, surgical, and major medical insurance programs and shall continue to pay 100 percent of the cost of coverage under such programs for all individual members of the bargaining unit who have a minimum of twenty (20) scheduled hours of work per week for their normally scheduled work year.
- B. During the term of this Agreement, the Board shall pay, in addition to A above, 50 percent of the cost of the insurance programs indicated in A above for the dependents of all members of the bargaining unit who have a minimum of twenty-five (25) scheduled hours of work per week for their normally scheduled work year, provided such employees elect such dependency coverage.
- C. During the term of this Agreement, the Board shall pay, in addition to A above, 100 percent of the cost of the insurance programs indicated in A above for the dependents of all members of the bargaining unit who have a minimum of twenty-five (25) scheduled hours of work per week for their normally scheduled work year, provided such employees have elected such dependency coverage for the twelve (12) most recent consecutive months.
- D. A committee of bargaining unit members shall be formed by the Association to review problems and concerns of members of the bargaining unit related to the administration and processing of hospital, surgical, and major medical insurance programs. This committee may meet with representatives of the Board and/or representatives of the appropriate insurance companies from time to time to represent the problems and concerns of employees and to assist in the resolution of such problems and concerns.

20.2 Dental Insurance

Effective September 1, 1981, a comprehensive dental insurance program for members of the bargaining unit shall be provided at Board expense. Eligibility for coverage shall be on the same basis as that provided for hospital, surgical, and major medical insurance, except members of the bargaining unit eligible for family coverage who elect such family coverage during the 1981 initial enrollment period shall not be subject to the twelve (12) month period in 20.1C. Members of the bargaining unit who elect family coverage after the 1981 initial enrollment are subject to all provisions of 20.1C.

Life Insurance

- A. During the term of this Agreement, the Board shall provide, at Board expense, \$10,000 group term life insurance for members of the bargaining unit who have a minimum of thirty (30) scheduled hours of work per week and a twelve- (12) month work year and members of the bargaining unit who have a minimum of thirty-five (35) scheduled hours of work per week and less than a twelve- (12) month work year.
- B. During the term of this Agreement, the Board shall provide, at Board expense, \$5,000 group term life insurance for members of the bargaining unit who have a minimum of twenty (20) scheduled hours of work per week and a twelve- (12) month work year and members of the bargaining unit who have a minimum of twenty-five (25) scheduled hours of work per week and less than a twelve- (12) month work year.
- C. Any employee granted a leave of absence shall be allowed to maintain the life insurance provided in this section by paying the premium during the period of such leave. If the leave is due to a Worker's Compensation claim (as stated in Section 13.4 of the Agreement) and the employee becomes permanently and totally disabled, a premium waiver must be filed by the employee with the insurance company prior to the first anniversary date of the accident or injury. Failure to do so will disqualify the employee from conversion or premium waiver. All premium waivers due to illness, injury, or disease must be filed within one (1) year of the first date of that illness, injury, or disease whether job related or not.
- D. Effective January 1, 1981, employees eligible for the benefit provided in paragraph A above may elect to buy \$10,000 group term life insurance in addition to that provided in paragraph A above. Effective January 1, 1981, employees eligible for the benefit provided in paragraph B above may elect to buy \$5,000 group term life insurance in addition to that provided in paragraph B above. This additional insurance shall be paid through payroll deduction at the same rate as the Board pays for coverage in paragraphs A and B above. Election of this additional coverage shall be made only during the month of November, with an effective date of the following January 1.
